

NORTHWEST PRIVATE INDUSTRY COUNCIL

MEDIA RELEASE

The Northwest Private Industry Council (NWPIC) is the grantee for Federal and State job training funds in Northwest Minnesota. The NWPIC has contracted with Inter-County Community Council (ICCC) and the Minnesota Department of Employment and Economic Development (DEED) to provide customer services.

We are in the process of developing success stories of WIA program participants. The plan is to have pictures and success stories on selected individuals who met or exceeded our expectations. We are proud of your accomplishments and would like to share these positive stories with others.

We want and need your permission to use your pictures and your success story. The pictures and success story will remain the property of the Northwest Private Industry Council (NWPIC) and its agents, ICCC and DEED. Thank you for helping to make the WIA Program a success in Northwest Minnesota.
